

Coronado Dairy and Farm Rules and Penalty Schedule

FARM RULES:

1. All persons must follow Farm Rules and State Laws and Regulations. Any person who violates Farm Rules or State Law or Regulation may be subject to trespass charges and immediate cancellation of their access pass or privilege. These violations can result in permanent ineligibility to obtain access privileges on all Landowner Compact Areas enrolled in the Arizona Game and Fish Department Landowner Compact. These rules apply to all private lands, and public or state lands accessed by crossing private lands in the Landowner Compact Area. Future access for hunting depends on compliance with these Farm Rules and State Laws and Regulations.
2. Cooperator requires that all Recreational Users who wish to access the property, complete their access request online no later than 2 weeks prior to the date of desired access. Recreational Users must receive prior approval from Cooperator before accessing the Subject Property and must display evidence of such approval in the windshield of any vehicles when accessing Subject Property. A condition of such prior approval is that Recreational User sign and complete a Hold Harmless Agreement.
3. Respect Natural Resources
 - a. Leave land better than when you found it. Pick up your trash and any other garbage you may encounter.
 - b. Stay at least ¼ mile away from all structures and livestock.
 - c. Know your capabilities and limitations as marksmen, and stay within your effective range.
 - d. Avoid all wet and muddy roads and areas. Keep vehicles out of fields. Please drive respectfully.
 - e. Treat both game and non-game wildlife ethically.
 - f. Abide by game laws and regulations.
 - g. Cooperate with wildlife managers.
 - h. Report game violations.
4. Respect Other Recreational Users
 - a. Follow Safe firearm handling practices, and insist your companions do the same.
 - b. Refrain from interfering with another's hunt.
 - c. Alcohol consumption is not allowed while hunting on Coronado Farms.
 - d. Know your target and what is beyond. Be mindful of irrigation equipment.
5. Respect Landowners
 - a. Human life is priority #1! Yield to all farm workers.
 - b. Yield to all active farm operations including aerial spraying. Recreational Users must leave the fields to allow for aerial treatments.

- c. Hunt and Stay in areas to which you were directed.
- d. Treat livestock and crops as your own.
- e. Leave all gates the way you found them.
- f. If you notice something wrong or out of place, please contact Kaitlyn Patterson.
- g. Never enter private land that is cultivated or posted, unless you have obtained permission.
- h. Use of center fire firearms is prohibited on Coronado Farms Property.
