The Arizona Game and Fish Department (AGFD) prohibits discrimination on the basis of race, color, religion, national origin, age, sex, or disability in its programs and activities. This agency receives Federal financial assistance from the U.S. Fish and Wildlife Service. Under Title VI of the 1964 Civil Rights Act, Section 504 of the Rehabilitation Act of 1973, Title II of the Americans with Disabilities Act of 1990, the Age Discrimination Act of 1975, and Title IX of the Education Amendments of 1972. The U.S. Department of the Interior prohibits discrimination on the basis of race, color, national origin, age, sex, or disability. If anyone believes that they have been discriminated against in any of the AGFD's programs or activities, including its employment practices, the individual may file a complaint alleging discrimination directly with the AGFD Ombudsman, 5000 W. Carefree Highway, Phoenix, AZ 85086, (623) 236-7373 or Office of Civil Rights, Department of the Interior, 1849 C Street, NW, Washington, D.C. 20240.

Synopsis of Federal Regulations Applicable to Migratory Bird Hunting

Federal regulations regarding bird hunting are described in the Code of Federal Regulations (CFR). These can be found at www.ecfr.gov under "Title 50 – Wildlife and Fisheries." The regulations below can be found at 50 CFR 20, unless otherwise noted.

WEAPON – Migratory game birds may be taken only with a 10 gauge or smaller shotgun capable of holding not more than three shells unless it is plugged with a one-piece filler, incapable of removal without disassembling the gun, so the gun's total capacity does not exceed three shells. Birds may also be taken by falconry, bow and arrow, or crossbow.

MOTOR-VEHICLE RESTRICTIONS – No person may take migratory game birds from or by means, aid, or use of any motor vehicle, motor-driven land conveyance, or aircraft of any kind. Special regulations govern handicapped hunters.

WATERCRAFT RESTRICTIONS – Migratory game birds may not be taken from or by means of any watercraft or other craft having a motor attached, or any sailboat, unless the motor has been completely shut off and/or the sails furled, and its progress there from has ceased. A watercraft under power may be used to retrieve dead or crippled birds but no shooting is permitted while the watercraft is underway. No person shall take migratory game birds by means or aid of any motor driven land, water, or air conveyance, or any sailboat used for the purpose of or resulting in the concentrating, driving, rallying, or stirring up of any migratory bird.

DECOYS, CALLS AND BAITING – Migratory game birds may not be taken by the use or aid of live decoys, recorded or electronically amplified bird calls or recorded or electrically amplified imitations of bird calls or sounds. It is illegal to take birds by the aid of baiting, or on or over any baited area, where a person knows or reasonably should know that the area is or has been baited. An area is considered baited for 10 days after the complete removal of all bait. It is legal to take migratory game birds, except waterfowl, coots and cranes, on or over lands or areas that are not otherwise baited areas, and where grain or other feed has been distributed or scattered solely as the result of manipulation of an agricultural crop or other feed on the land where grown, or solely as the result of a normal agricultural operation.

RETRIEVAL AND TAGGING – No person shall kill or cripple any migratory game bird without making a reasonable effort to retrieve the bird and retain it in his actual custody while in the field. Crippled birds must be killed immediately. Any birds given to or left with another person must be tagged by the hunter with a tag showing his signature, address, the number and species of birds, and the dates they were killed. Packages in which migratory game birds are shipped must show the names and addresses of the sender and receiver, and the number and species of birds contained in the parcel. (50 CFR 20.25, 20.36, 20.44)

BAG LIMIT – No person may, during any one day, take more than one daily bag limit or possess more than one daily bag limit in the field, or while returning to the car, hunting camp or home. (50 CFR 20.24, 20.35)

IMPORTATION – For information regarding the importation of migratory game birds killed in another country, hunters should consult federal regulations. One fully feathered wing must remain attached to all migratory game birds being transported between the port of entry and the hunter's home or to a migratory bird preservation facility. No person shall import any migratory game birds from any country except Canada unless such birds are dressed, drawn and the head and feet are removed. Special regulations govern consignment to an approved and licensed taxidermist. No person shall import migratory game birds belonging to another person. (50 CFR 20.61 through 20.66)

SEASON AND HOURS – No person may take migratory game birds during the closed season. Migratory game birds may be taken only during hours open to hunting. (50 CFR 20.22, 20.23)

ONE FEATHERED WING — Sportsmen should note that one feathered wing (or head for Sandhill crane only) must be left attached to all migratory game birds until they reach their final destination.

NONTOXIC SHOT — No person may take ducks, geese (including brant), or coots while possessing shot (either in shotshells or as loose shot for muzzleloading) other than approved nontoxic shot. For a list of approved nontoxic shot, see:
www.fws.gov/story/2022-04/nontoxic-shot-regulations-hunting-waterfowl-and-coots-us

Monuments and military areas

The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting. The Fort Huachuca Army Garrison in Unit 35A is open to hunting only to properly licensed military and Fort Huachuca civilian personnel holding a valid Fort Huachuca post hunting permit. Season dates and special regulations must be obtained from Fort Huachuca.

The Florence Military Reservation (training areas B and D: the areas north and south of Cottonwood Canyon Road) in Unit 37B is subject to short-term closures due to military operations, including live fire operations, and requires coordination with the Florence Military Reservation for hunting access. For specific closure dates or any other access concerns, contact the Florence Military Reservation at 602-267-2062.

Banded birds

Hunters can report recovery of banded birds by visiting www.reportband.gov.

Waterfowl hunting information

Waterfowl hunting information is available by visiting the Arizona Game and Fish Department's website at www.azgfd.gov/hunting.

ATTENTION ROOSEVELT LAKE WATERFOWL HUNTERS. Be aware of changes to hunting at Roosevelt Lake listed in Note 22. Visit www.azgfd.gov/roosevelt for a map and additional detailed information.

Arizona Migratory Bird Stamp required

Hunters ages 18 and older who wish to hunt ducks, geese, coots, snipe and gallinules (as well as dove and band-tailed pigeon) must purchase an Arizona Migratory Bird Stamp for the 2026-2027 season. (The stamp is included with the Youth Combo Hunt/Fish license.) The stamp validates a hunting license for the federal Harvest Information Program (see more information about this program on page 5). The Arizona Migratory Bird Stamp is available for purchase at any license dealer, Game and Fish Department offices or online at www.azgfd.gov.

Remember: Hunters ages 16 and older who wish to hunt waterfowl are required under federal law to also purchase the Federal Migratory Bird Hunting Stamp (i.e., Federal Duck Stamp), which will be available on the U.S. Fish and Wildlife Service's website starting July 1.

Harvest Information Program

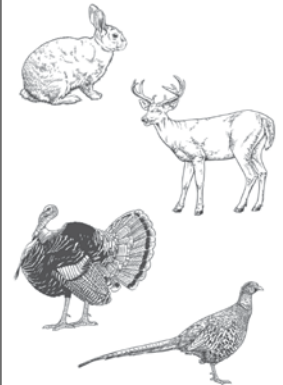

The Harvest Information Program (HIP) is a legally required certification for migratory bird hunters that helps biologists manage migratory birds. Learn more and explore survey results: www.fws.gov/harvestsurvey

✓ REGISTER FOR HIP

Register for HIP in Arizona if you intend to hunt migratory birds (ducks, geese, brant, doves, band-tailed pigeons, cranes, rails, coots, gallinules, and snipe).

✗ SKIP HIP

Do not register for HIP if you do not intend to hunt migratory birds.

As of July 1, 2025, hunters can purchase the electronic version (E-Stamp) of the Federal Migratory Bird Hunting and Conservation Stamp (aka Federal Duck Stamp) directly from the Amplex website (duckstamp.com or specifically duckstamp.com/e-stamp) rather than going through individual state websites. At the time of purchase, customers will have the option of requesting the physical stamp be sent to them via mail. (All E-Stamps are mailed out after March 10 of the following year.)

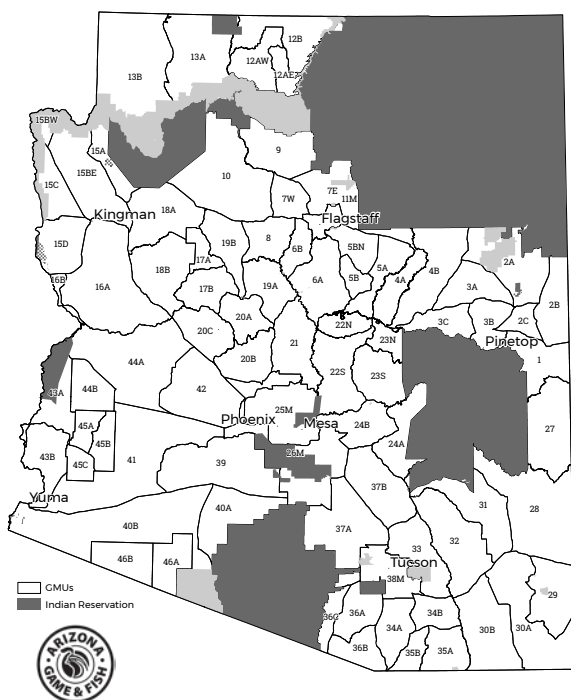

The physical duck stamp may still be available seasonally at many Arizona Game and Fish Department regional offices, or, in many cases, at places like Walmart and the U.S. Post Office. However, the surest way to find the Federal Duck Stamp is to buy an E-Stamp online.

Waterfowl Hunters – Arizona Bald Eagles Need Your Help

The bald eagle is protected by the Bald and Golden Eagle Protection Act, the Migratory Bird Treaty Act and various other state and federal laws. We are asking for your assistance to help avoid disturbing bald eagle breeding pairs while hunting waterfowl. The noise from discharging your firearm near nesting bald eagles may cause a disturbance, placing you in violation of state and federal laws. The bald eagles are laying eggs and are very sensitive to human activity during the later part of the waterfowl season. Being aware of your surroundings and avoiding disturbance to bald eagles will help you comply with these laws.

At all bald eagle breeding areas, you are still responsible for maintaining compliance with federal and state laws protecting bald eagles. You can find a list of Bald Eagle Breeding Areas at www.swbemc.org. For more information, contact the Arizona Game and Fish Department by email at baldeagle@azgfd.gov or call (623) 236-7575.

HARVEST INFORMATION PROGRAM (HIP): As required by A.R.S. 17-333.03 and R12-4-203, Snipe hunters age 18 and older shall have in their possession a valid Arizona Migratory Bird Stamp or printed privilege which will validate their license for the federal Harvest Information Program. The Arizona Migratory Bird Stamp may be obtained on or after July 1 from any Arizona Game and Fish Department office or wherever hunting licenses are sold.

Waterfowl and Snipe Notes:

- Open areas include the Imperial, Cibola, Buenos Aires and Hava-su National Wildlife Refuges EXCEPT for posted portions which shall be closed to all hunting; a fee may be required for hunting on National Wildlife Refuges, see refuge regulations. See refuge regulations for the use of dogs in hunting activities.
- Posted areas on Whitewater Draw Wildlife Area in Unit 30B are closed to waterfowl hunting. Willcox Playa Wildlife Area in Unit 30A is closed to waterfowl hunting.
- All areas within Arizona are designated nontoxic shot zones. The use or possession of lead shot while waterfowl hunting is prohibited. No person may take ducks, geese (including Brant), or coots while possessing shot (either in shotshells or as loose shot for muzzleloading) other than approved non-toxic shot. Lead shot includes plated lead shot. For a list of approved non-toxic shot, see www.fws.gov/migratorybirds/currentbirdissues/nontoxic.htm. Steel, bismuth, tungsten-iron, tungsten-polymer, tungsten-nickel-iron, and tungsten matrix shot are approved as nontoxic shot.
- Persons 16 years of age or older must have in their possession a valid Federal Waterfowl Stamp and a valid, signed Arizona Migratory Bird Stamp* attached to their hunting license or printed privileges on their license when taking ducks, geese, coots, and gallinules. This stamp or privilege will automatically register the holder for the federal Harvest Information Program for the taking of ducks and geese. *The youth license already includes the Arizona Migratory Bird Stamp privileges.
- Hunting is not permitted in Unit 26M in the following described area: those private lands lying just north of the Town of Cave Creek in Sections 10, 11, 12, 14, and 15 of Township 6 North, Range 3 East.
- Falconry hunting will not be permitted on National Wildlife Refuges.
- The Grand Canyon-Parashant, Vermilion Cliffs, Sonoran Desert, Ironwood Forest, and Agua Fria National Monuments are open to hunting.
- Entry into portions of Units 40A, 40B, 46A, and 46B is subject to military closure and requires coordination with the Barry M. Goldwater Range for hunting access. For specifics about accessing the Barry M. Goldwater Range refer to the Index: Hunting on Military Reservations.
- The Florence Military Reservation (training areas B and D: the areas north and south of Cottonwood Canyon Road) in Unit 37B is subject

Waterfowl and Snipe Notes (continued):

- to short term closures due to military operations, including live fire operations, and requires coordination with the Florence Military Reservation for hunting access. For specific closure dates or any other access concerns, contact the Florence Military Reservation at 602-267-2062. A map of the Florence Military Reservation is located on the Arizona Game and Fish Department's website (under Region V at www.azgfd.com/units).
10. Hunting is not permitted in Unit 26M in the following described area: an unincorporated portion of land within the Town of Queen Creek in Pinal County in Sections 5, 7, 8, and 18 of Township 3 South, Range 8 East.
 11. Within Unit 25M as described in R12-4-108, all incorporated lands, including private property within municipal boundaries, are closed to hunting unless opened under Commission Order. Incorporated includes all municipal and corporate limits. County islands are open to hunting provided the hunter does not discharge a firearm within ¼ mile of an occupied farmhouse, residence, cabin, lodge, or building without permission of the owner or resident. Privately held lands within county islands may be closed by the landowner.
 12. Hunting is not permitted in Unit 26M in the following described area in the City of Maricopa: that portion of the city east of Green Road, south of Smith Enke Road, and east of the Cobblestone subdivision and that portion of the city north of Farrell Road and west of White and Parker Road.
 13.  23. All City of Tucson Water Properties in Units 36C and 37A are closed to waterfowl hunting.
 24. Access requirements for portions of Units 4A, 5A, and 5B North - In Unit 4A on the Hopi's Aja Ranch and in Unit 5B North on the Hopi's Hart/Drye Ranch, access is permitted by signing in at designated sign-in boxes located at access points. In the northern portion of Unit 5A, access is permitted on the Clear Creek Ranch by written permission only by contacting the Hopi Tribe Wildlife and Ecosystems Management Program via e-mail at hophihunts@hopi.nsn.us or by calling (928) 734-3672 or (928) 734-3673 from Monday-Friday 8am-5pm. All AZGFD State Certified/Licensed Outfitters and Guides who conduct business on the Hopi ranches must contact Raelene Pavinyama at the Office of Revenue Commission at (928) 734-3172 or by email at RPavinyama@hopi.nsn.us to obtain an annual Hopi Tribal Business License. Upon approval of a Hopi Tribal Business License, access to the Hopi 3 Canyon Ranch may be obtained via email at hophihunts@hopi.nsn.us or by calling the numbers above.
 25. For hunts in Units 5A and 5B North, the Arizona Game and Fish Department has entered into a Landowner Compact Agreement with the Bar T Bar Ranch and Flying M Ranch located in the northern portion of Units 5A and 5B. A Ranch Pass and adherence to Ranch Rules is required to access these ranches. Signage at points of entrance to the ranch provides notification of the Landowner Compact Agreement. The free Ranch Pass, a copy of Ranch Rules, and location map may be obtained online from the Department's Landowner Relations Program web page www.azgfd.gov/landownercompact. Ranch Passes and Ranch Rules for the Flying M Ranch may also be obtained at sign-in boxes located at either of the two entrance points onto the ranch. Ranch Passes and Ranch Rules for the Bar T Bar Ranch may also be obtained at the Meteor Crater Gas Station/Convenience Store.
 26. Rogers Lake Coconino County Natural Area in Unit 6B is open to hunting; this area is closed to all vehicle access and is closed to motorized big game retrieval. Hunting is not permitted within ¼ mile of any occupied building, wildlife viewing platform, picnic area, or developed trailhead.
 27. Camp Navajo in Unit 6B is closed to all waterfowl hunting.
 28. Per Federal Frameworks published in the Federal Register (50 CFR Part 20), any youth hunter participating in the Youth-Only Waterfowl hunt season must be under the age of 18. In addition, an adult at least 18 years of age must accompany the youth hunter into the field. This adult may not waterfowl hunt, but may participate in other seasons that are open on the special youth days.
