4. In accordance with R12-4-303, it is unlawful to discharge an arrow, bolt, or hybrid device while taking wildlife within 1/4 mile of an occupied farmhouse or other residence, cabin, lodge, or building without permission of the owner or resident.

5. Camp Navajo in Unit 6B is open to hunting only to properly licensed hunters with a valid hunt permit-tag for deer, pronghorn, elk, or turkey who meet the qualifications as 'Authorized Participants' according to the installation hunting policies outlined on the National Guard Website. Only the designated species on the hunt permit-tag may be hunted while on Camp Navajo. Applications for these hunts must be submitted to the Arizona Game and Fish Department by the published deadline. Hunters must log onto the National Guard Website and read the installation policies and security requirements in order to have access to Camp Navajo hunt numbers: https://dema.az.gov/army-national-guard/camp-navajo/garrison-operations/camp-navajo-hunting-information. An applicant who applies for a category of permit for which he or she is not eligible to participate may not be authorized to participate in the hunt. All hunters are required to show proof of attendance in a hunter safety education course during paperwork submission for the Camp Navajo permit. Increases in Force Protection Conditions, training missions and industrial operations may result in partial or complete hunt cancellation at any time with little or no prior notification. In the event a hunt is cancelled, hunters drawn for these permits will not be reimbursed or otherwise compensated by the Arizona Game and Fish Department or Camp Navajo. Camp Navajo will charge a recreation fee for all hunters. No cash will be taken, only personal checks and money orders. The cost of the recreation fee can be found at the Camp Navajo Website above or by emailing the hunt coordinator at the email address found on Camp Navajo's website.
Eligibility requirements for a disabled veteran, wounded warrior, or Purple Heart hunt are provided on the Camp Navajo website: https://dema.az.gov/arizona-national-guard/training-area-ranges/camp-navajo/camp-navajo-hunting-information. Written proof is required prior to being allowed to hunt on Camp Navajo.

Applications for these hunts must be submitted to the Arizona Game and Fish Department by the published deadline.

9. Over-the counter nonpermit-tags for elk are available in some hunt areas. Elk numbers in these hunt areas are very low and elk may not be present year round; therefore, hunt success

is expected to be very low. Make sure you obtain permission to hunt on private lands. These hunts will not affect your Bonus Points but do count towards your one-elk-per-calendar-year bag limit. More information on these hunts can be found on the Department's Web site at www.azgfd.gov/otc.
